# Oregon Law Enforcement Ball and Auction

Hilton | 27 January 2018

## *Oregon Fallen Badge Foundation*

*Come share an evening at the beautiful downtown Portland Hilton benefitting agencies and surviving families of Oregon law enforcement officers killed in the line of duty. Evening activities include dinner, silent auction, live auction, raffle, entertainment and more. There will also be a welcoming reception on Friday, January 26th for those that are in town for the weekend.*

The **Oregon Fallen Badge Foundation**, a 501(C)(3) charitable organization, was founded in the spring of 2011 by several law enforcement honor guard commanders and police survivors from within the state of Oregon to provide support for the planning and execution of law enforcement memorial services throughout the state to ensure fallen officers are given the full honors to which they are entitled.

The Oregon Fallen Badge Foundation ensures there is no cost to the affected agency or survivors for the cost of the memorial service. The Foundation also provides training across the state at no cost to the attendees.
